CLASS CANCELLATION & INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of Memphis State University classes and/or campus activities, local radio and television news media will be immediately notified for dissemination as they deem appropriate. Such closing decisions will also be given to University vice presidents for dissemination through the notificaiton system in place for each MSU division. Cancellations will not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (MSU Procedure 2A:16:01A)

SCHEDULE CONFLICTS/CHANGES

Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. *Students should check each Index No. to insure that the course and section numbers, time and credit agree with what they requested.*

Schedule changes — The University will not waive the change of course (drop/add) fee for any of the following reasons: (1) change of instructor; (2) course/section closed and later reopened; (3) change in student's work schedule; (4) medical reasons; (5) incorrect/omitted courses on Class Schedule and Invoice Form. Students are responsible for the accuracy of all course information printed on their Class Schedule and Invoice Form.

The University reserves the right to cancel courses or sections, change instructors, add courses or sections, and combine or split sections.

REGISTRATION FEES — Fees may be paid beginning the day the student registers and MUST be paid by the deadline specified on the student's Class Schedule and Invoice Form. See Payment of Fees section for payment options.

About the ACT-COMP

The ACT-COMP is a general education examination designed to evaluate the skills that students acquire in their core education program - those courses that are required for all students. It is not meant to test knowledge from a specific major or discipline, but rather to evaluate a student's ability to receive information in a variety of formats, analyze the information, and respond to situations related to adult roles in society. During the test, you will view portions of newscasts and television productions, listen to music and radio broadcasts, look at art prints, and review advertisements, graphs, and blueprints.

Scores on the test will be returned to you along with information for comparison with a national senior reference group. The report will include an overall total score and also subscores in the following areas:

— Functioning Within Social Institutions
— Using Science and Technology
— Using the Arts
— Communicating
— Solving Problems
— Clarifying Values

A description of each subscore area is included with the score report.

MAJOR AREA ACHIEVEMENT TESTING

Students graduating either December 1991 or May 1992 in the following majors are also required to take a Major Area Achievement Test prior to graduation. Please contact your Graduation Analyst or the Testing Center for details.

— PHYSICAL EDUCATION

STUDENTS WITH DISABILITIES

Due to the special format of the test — television, tapes, and slides and the time requirements of the test, students with significant visual, hearing or manual impairments may be eligible for exemption. Students with disabilities must request and be approved for exemption through the Director of the Office of Students with Disabilities, 215 Scates Hall, prior to the last test date for any given semester.

Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after December 1 will not be assured of registration before the first day of classes.

APPEAL PROCEDURES FOR FEES & REFUNDS

A student may appeal the assessment, application, calculation or interpretation of any University fee, charge, deposit, or refund, or any University action connected with fees and charges. Questions should generally be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Associate Vice President for Finance; his determination may be appealed to the Vice President of Business and Finance, and his determination may be appealed to the President of the University. All appeals must be made in writing within ten (10) days of the previous decision. Traffic fines are subject to a separate appeal procedure.

I.D. CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY I.D. CARD. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.

The University issues to each student an identification card which bears his/her photograph and social security number. The card remains the property of the University and will be surrendered upon the request of a University official. A cardholder may possess only one university identification card at a time.

Students may obtain a replacement from the I.D. Office, Room 177, Administration Building, from 8:00 a.m. to 4:30 p.m. Monday through Friday. Students will be charged $10.00 to replace a card that has been damaged, stolen or lost. A charge of $2.00 will be made to make any change in data on a card. Students unable to obtain an I.D. card at an off-campus or special registration must go to the I.D. Office to have one made.

TIGER FUND$, a debit card account program using the University I.D. card, is available to all Memphis State students. For more information contact the I.D. Office, Room 177, Administration Bldg.

MISCELLANEOUS ACADEMIC POLICIES & PROCEDURES

CHANGING ENROLLMENT STATUS

Change of Course (Add/Drop)

After a student's registration is complete, the class schedule may be changed by adding and/or dropping courses within a specified period only (see University registration calendar). After the last day to add, students will add/drop using the multi-copy Change of Course Application form. Hours when advisers are available may be obtained from the department of the student's major. The Evening Academic Services office hours are 12 noon-8:00 p.m. Monday through Thursday, and 8:30 a.m.-12 noon on Saturday. Time limits for add/drop are outlined in the registration calendar. No fees will be charged for any change-of-course transaction until the first day of classes. There is no charge for a change made as a result of the University cancelling a course.

Permission to add or drop a course after the deadlines shown in the semester calendar must be obtained from the appropriate college dean for undergraduates and the graduate dean for graduate students.

Students enrolled in one course who wish to drop must withdraw from the University.

Withdrawal Procedures

Students who participated in Priority/Continuous or Regular Registration and need to cancel their registration ***prior to the first day of classes*** (January 17) should bring their Class Schedule and Invoice Form to the Registration Center or Room 161, Administration Building (see calendar for dates and times open).

Students may withdraw from the University beginning the first day of classes by contacting the appropriate University official.

GRADE REPORTS

A grade report showing the grade received, credit hours earned, and quality points earned, is mailed to the permanent address of each student at the end of the semester. The grade report will show cumulative hours attempted, hours earned, and grade point average.

Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Records Office, Room 119, Administration Building.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.

ACADEMIC STATUS AND RETENTION

Students will be notified of their academic status at the end of each semester through their official grade report. Grades are mailed to all students who have no financial holds with the University.

A complete statement of the University's academic status and retention policy may be found in the Bulletin. Specific questions concerning academic probation/suspension should be directed to the Undergraduate Academic Retention Office, Room 167, Administration Building. Office hours are 12 noon to 8 p.m. Monday through Thursday, and 8:30 a.m. to noon on Saturday. For more information call 678-2393.

UNDERGRADUATE ACADEMIC RETENTION SCALE

Cumulative Hours Attempted	Minimum QPA
0 — 14.99	No Minimum
15 — 29.99	1.40
30 — 50.99	1.70
51 — 67.99	1.90
68 and above	2.00

Note: After one suspension, a student is required to remain out of the University the following semester. If the suspension occurs at the end of spring semester, the student must remain out of the University the summer session and following fall semester.

REPETITION OF COURSES

Summer, 1988 was the implementation term for the revised repeat policy as stated in the 1987-88 Undergraduate Catalog:

A student may not attempt the same course more than three times for the purpose of obtaining a passing grade or higher grade. Exceptions to this limitation may be made by the dean of the college from which the student intends to graduate. These exceptions must be approved prior to the student's registration for the fourth and any subsequent attempts of the same course.

The student's quality point average will be computed as follows:

Attempt	Grade(s) Included In computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grade earned in 2nd attempt averaged with grade(s) earned in ALL subsequent attempts

The record will continue to reflect all grades earned in the same course.

STUDENTS WITH DISABILITIES

Early Registration Permits can be issued by the Office for Students with Disabilities (OSD) to allow eligible students to register on the first day or at any convenient time during Priority Registration. The purpose of this procedure is to allow students to adequately plan for and schedule around any disability related needs. Generally, students with handicaps of mobility, vision, hearing and specific learning disabilities are eligible for Early Registration Permits. Students with disabilities must, however, be eligible to participate in the University's registration process with no registration "holds". Personal attendants and academic aids employed by students with disabilities may also get Early Permits so their schedules can be coordinated to accommodate the students for whom they work.

REGISTRATION PROCEDURES

1. Upon receipt of registration materials, see adviser and get signed Section Request Form. Please check published advising schedules and make appointments as indicated.
2. Present registration materials and signed Section Request Form in OSD in order to get Early Permit Card. Students who need staff assistance in planning their schedule may request it at this time.
3. Take registration materials, completed Section Request Form and Early Permit Card to Registration Center.
4. After completing registration, take the Class Schedule and Invoice Form to OSD for Needs Assessment so that necessary academic accommodations and resources can be planned.
5. Students who drop or add courses after the Needs Assessment is completed should take a revised copy of their schedule back to OSD.
6. Students on authorized billing from state rehabilitation agencies should make plans with their counselor to meet the appropriate fee payment deadline.

OSD can reserve Remedial and Developmental Studies courses for Students with Disabilities. Students should bring OSD a list of the R&DS courses they wish to take no later than November 11. The Restricted Section Request Forms can then be picked up prior to going to the Registration Center.

For further information or assistance, please contact the Office for Students with Disabilities, 215 Scates, 678-2880 (Voice and TDD).

MY DEGREE GOT ME THE INTERVIEW. ARMY ROTC GOT ME THE JOB.

Things got pretty competitive for this job. I'm sure my college degree and good grades kept me in the running. But in the end it was the leadership and management experience I got through Army ROTC that won them over.

You can begin to develop impressive leadership skills with an Army ROTC elective.

HARASSMENT POLICY

Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex, race, color, national origin, age, or handicap and/or veteran status.

Such actions are prohibited not only by University policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Other types of harassment are prohibited by applicable law. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience, and well-being of students, faculty and staff. Incidents involving sexual harassment, racial harassment or discrimination have no place within the University. In both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff, and the academic community as a whole.

When, through fear of reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member's or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met:
   a. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; **or**
   b. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; **or**
   c. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive work or educational environment.

Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circum

stances, such as the nature of sexual advances in the context within which the alleged incident occurred.

B. Sexual harassment encompasses any sexual attention that is unwanted. Examples of the verbal or physical conduct prohibited include, but are not limited to:
   a. Physical assault;
   b. Direct or implied threats that submission to sexual advances will be a condition of employment, work status, promotion, grades, or letters of recommendation;
   c. Direct propositions of a sexual nature;
   d. Subtle and persistent pressure for sexual activity;
   e. A pattern of conduct intended to discomfort or humiliate, or both, that includes one or more of the following: (i) comments of a sexual nature; or (ii) sexually explicit statements, questions, jokes, or anecdotes;
   f. A pattern of conduct that would discomfort or humiliate, or both, a reasonable person at whom the conduct was directed that includes one or more of the following: (i) unwanted sexual advances such as touching, patting, hugging, or brushing against a person's body; (ii) remarks of a sexual nature about a person's clothing or body; or (iii) remarks about sexual activity or speculations about previous sexual experience.

C. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an individual's performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way which abuses or offends their coworkers.

D. Generally, harassment on the basis of religion, handicap, or other protected status includes any conduct which has the purpose or has the reasonably foreseeable effect of interfering with an individual's academic efforts, employment, or participation in institutionally sponsored activities. Such harassment also includes any activity which creates an intimidating, hostile or demeaning environment.

The University seeks to encourage the prompt reporting of such harassment and its prompt resolution through University procedures. Where the charge of harassment is by one student against another student, the Assistant Dean of Students for Judicial Affairs and the Associate Dean of Student Development will investigate and resolve the complaint in accordance with student disciplinary procedures. Other charges of harassment should be directed to the University Affirmative Action Officer for investigation and recommendations to the President and will follow guidelines set forth in University Procedure 2A:12:04A.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing harassment.

Procedure

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and employees where they believe they have encountered harassment as defined by the University policy. The final resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures.

The President has assigned the University Equal Employment/Affirmative Action Compliance Officer the responsibility of investigating any complaint related to this procedure. The responsibility of investigating complaints against students has been assigned to the Assistant Dean for Judicial Affairs and the Associate Dean of Student Development in accordance with appropriate student disciplinary procedures.

Since harassment based on race, sex, or any other factor has been defined as discriminatory in nature, the following will be implemented for the reporting of harassment:

   a. Complaint by student against student – Procedure: Sexual harassment complaint to Assistant Dean of Students for Judicial Affairs for investigation and possible disciplinary action. Complaint of other discriminatory harassment to Associate Dean of Student Development for investigation and possible disciplinary action.
   b. Complaint by faculty member or staff against student – Procedure: Same as (a).
   c. Complaint by student against faculty member or staff; faculty member against staff; faculty member against faculty member or supervisor; or staff against faculty member, staff, supervisor or outside University contracting agency – Procedure: Complaint to University Affirmative Action Officer for investigation and possible disciplinary action by the President.

Procedures

The following procedures are intended to protect the rights of the aggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each charge will be properly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action which is appropriate, e.g., suspension with pay, pending the initiation of the investigation by the EEO/AA officer. The University Affirmative Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

A. Preliminary Investigation
   1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at Memphis State University shall present the charge to the designated EEO/AA officer responsible for compliance with Title VII of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972.
   2. The EEO/AA officer will make every attempt to get the aggrieved party to provide the charge in writing. The charge shall include the circumstances giving rise to the allegations and the dates of the alleged occurrences. The charge shall be signed by the aggrieved individual and notarized. However, where the aggrieved individual refuses to sign a written charge, the EEO/AA officer will still investigate the allegations, and recommend to the President appropriate action. Based on the findings of this investigation, the EEO/AA officer may recommend to the President appropriate action which may or may not be the steps outlined in the remaining paragraphs of this guideline.
   3. The EEO/AA officer shall notify in writing the charged party within five (5) working days of receipt of the charge. The charged party shall respond in writing to the charge within five (5) days of notification.
   4. The EEO/AA officer may meet with both parties for the purpose of resolving the charge informally.
   5. The EEO/AA officer shall conduct an investigation of the charge and submit a report to the President, TBR EEO/AA officer, and the parties within twenty (20) working days following receipt of the charge. Each report shall outline the basis of the charge, including the dates of the alleged occurrences, the response of the charged party, the findings of the EEO/AA officer and all attempts to resolve the charge informally and recommendations regarding disposition of the charge. If following an investigation the EEO/AA officer finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.
   6. If the investigation reveals that there is evidence to support the charge, the President may meet with the charged party and/or the charging party and attempt to resolve the problem by agreement. In addition, the charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. A charged party may request a hearing within ten (10) days following receipt of the report.

B. Hearing
   1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Re-

1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures Act, and of the established Memphis State University procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.
2. When an individual elects to proceed under the established Memphis State University procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established procedures at Memphis State University, these procedures shall include the following minimal requirements:
   a. Notice of the charge to the party or parties.
   b. The right of the party or parties to present his or her case.
   c. The right to be accompanied by an advisor.
   d. The right to call witnesses in his or her behalf.
   e. The right to confront witnesses against him or her.

In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.

3. Individuals electing to proceed under the TUAPA shall be referred to the appropriate Memphis State University official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
4. When a charge involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. Where the selected hearing procedure results in a finding that sexual harassment exists and the President determines that the harassment constitutes adequate cause for termination, then the matter will proceed under either Memphis State University policy for termination of tenure or TBR policy 5:02:03:00. Under TBR policy the matter shall proceed under section III. 16 on page 15 of 19.

PRIVACY RIGHTS OF PARENTS & STUDENTS NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Normally, this will be notarized affirmation by th parent declaring that the student is a dependent for Feder Income Tax purposes.

Access by these officials is restricted where practical only to students for whom they have professional responsibility and only to that portion of the student record necessary for the discharge of assigned duties.

— **Legitimate Educational Interests.** Legitimate educational interests are defined as those interests which are essential to the general process of higher education prescribed by various legislative acts and the body of policy adopted by the governing board. Legitimate educational interests would include teaching, research, public service, and such directly supportive activities as academic advising, general counseling, therapeutic counseling, discipline, vocational counseling and job placement, financial assistance and advisement, medical services, and academic assistance activities.

Procedure for Gaining Access to **Educational Records.**

— To gain access, the student must request the custodian to allow him to peruse the "Educational Record," which request will be granted within a reasonable period of time. The student may ask for an explanation and/or copy of his "Educational Record." Examination will be permitted under conditions which will prevent alteration or mutilation of the record. A student must present proper identification upon request. Documents submitted by or for the student in support of his application for admission or for transfer credit will not be returned to the student nor sent elsewhere.

— If the student believes the "Record" content to be inaccurate, he may submit a request for amendment of his record. Normally such matters will be satisfactorily settled in the course of informal discussion with the student. When this is not the case, the request and the challenge must be presented in writing to the record custodian who will inform the student of his decision within 45 days and of his right to a hearing. The student may then submit a written request for a hearing to the Dean of Admissions and Records who will (1) appoint an Appeals Committee consisting of four "Record" custodians (none of whom is custodian of the "Record" in question), with one of the four designated as chairman, and (2) designate a time and place for the first meeting and inform the student of the same.

— The Appeals Committee will convene with the student within 45 days from the date of the request, allowing the student, or his parents if the student is a dependent, to present relevant evidence. The student may be assisted or represented by counsel of his choice and at his own expense. A written decision based solely upon evidence presented at the hearing will be given the student within 45 days after the conclusion of the hearing, including a summary of the evidence and reasons for the decision and notification of his right to place a statement in the "Educational Record." Thereupon, the student may submit to the Committee a written explanation to be inserted into the "Record."

Note: This procedure does not provide for a hearing to contest an academic grade.

Right of Access Does Not Include:

1. Financial records of parents or any information therein.
2. Confidential letters and statements of recommendation which were placed in the "Educational Records" prior to January 1, 1975.
3. "Records" to which access has been waived by a student.

E. No University office receiving student information shall, and all agencies receiving student information will be advised not to, release the information to another party without the written consent of the student.

F. The University retains all rights to the student's academic record and may withhold transcripts of the record because of unfulfilled obligations to the University.

G. Eligible students and parents have the right to file a complaint with the Department of Education concerning an alleged failure by the University to comply with the "Privacy Rights of Parents and Students" Act. Students may also file a complaint against the University in the office of the Dean of Admissions and Records. A copy of the Act may be read in the offices of the Associate Dean of Admissions and Records (Records), the Dean of Admissions and Records, or the University Counsel.

MEMPHIS STATE UNIVERSITY'S POSITION ON DRUG AND ALCOHOL USE BY STUDENTS

A. In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.

— At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.

— Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.

B. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use, or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars ($50) to $500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Annotated (T.C.A.) in section 39-17-401 through 427 and in sections 40-35-101 through 504.

— Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled substance may face a fine of up to $100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to $400,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or **college campus** (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to $10,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.

C. The use of illicit drugs or alcohol may result in a variety of health problems. Excessive use of alcohol, for instance, has been shown to result in damage to the heart and liver; impairment of brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately may lead to death.

— The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infections increases when illicit drugs are injected. The use of illicit drugs may also lead to death.

D. Memphis State University students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services, which

are entirely free to students, include the Center for Student Development's Psychological Counseling unit, the University's Health Center and the Department of Psychology's counseling services (Psychological Service Center). For more information on campus based services, contact the Center for Student Development at 678-2067 (MSU-2067).

— Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors — such as Alcoholics Anonymous, Narcotics Anonymous or Cocaine Anonymous — to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contacted either directly or through referral by the MSU's Center for Student Development; although, none are operated with the assistance of the University.

E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see the **Student Handbook** section on student discipline ("Code of Conduct") or contact the Office of Judicial Affairs at 678-2298 (MSU-2298).

PARKING REGULATIONS

MEMPHIS STATE UNIVERSITY

* Every vehicle parked on campus property must be registered with the Parking Office and have a parking permit properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits are designed to hang from the inside rearview mirror post and may be transferred to a replacement vehicle when the registered vehicle is not available. Temporary parking permits must be purchased from the Parking Office when you forget to transfer the regular parking permit.

* Vehicles must be parked within parking spaces delineated by white lines.

* **Campus Traffic and Parking Regulations** are available in the Parking Office, 151 Administration Building and the Information Center located at the corner of Patterson and Central.

* Improperly parked vehicles may be towed at owner's expense. The issuance of a parking decal does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

* A limited number of spaces are available for students in the gate access lots. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration.

* Parking lots are either Priority (gate access), Reserved, General, Resident, or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

* Public Safety officers, parking officers, faculty members or staff employees are not empowered to allow anyone to violate the traffic and parking regulations.

* Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or locked in the trunk. Memphis State University does not assume responsibility for loss of personal property.

* Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-4357 (MSU-HELP).

EMERGENCY NUMBERS

NOTE: When an emergency arises, do not dial 9-1-1! The emergency center screen **would not** show information necessary for response. The 9-1-1 Office and the Memphis Fire Department request that all emergency calls be routed through the Memphis State University Public Safety Office dispatcher. The dispatcher will immediately create a conference call with the necessary emergency agency. Public Safety will have the caller's location displayed. This procedure ensures emergency aid routing to the correct location.

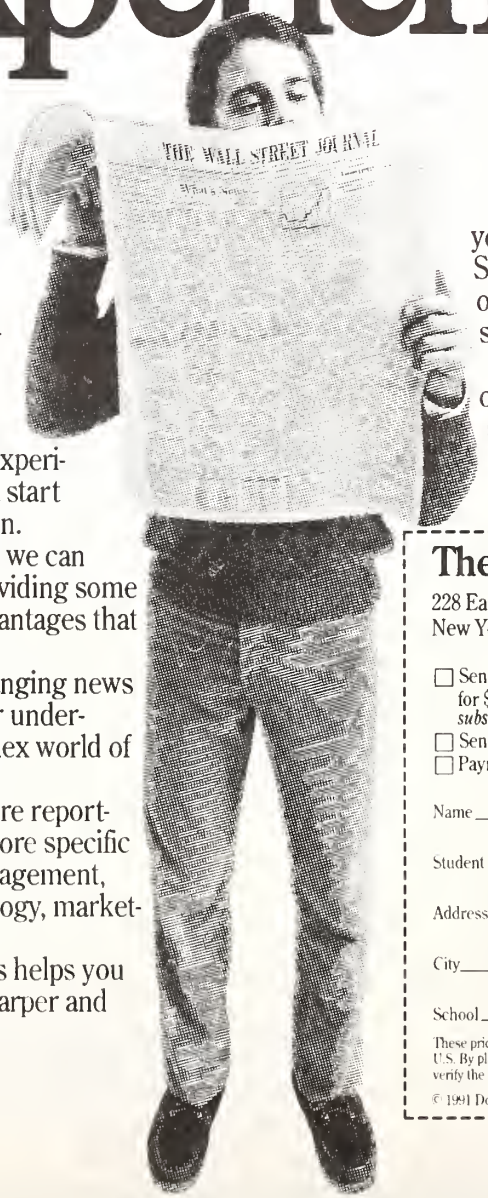
Maybe there is a substitute for experience.



After you're done with school, you face one of the hardest lessons in life:

Without experience, it's tough to get a job. And without a job, it's tough to get experience.

At The Wall Street Journal, we recognize that experience is something you don't start earning until after graduation.

But while you're waiting, we can give you a head start by providing some of the same competitive advantages that experience brings.

Our tightly focused feature reporting prepares you for your more specific ambitions – whether in management, accounting, finance, technology, marketing or small business.

JUNK BONDS

HOW HIGH YIELD SECURITIES RESTRUCTURED CORPORATE AMERICA

GLENN YAGO

"Three hearty, full-throated cheers for Glenn Yago's book and research. I've long believed that high-yield securities were the single most important stimulus to American economic restructuring in the '80s. Yago provides a masterly analysis in defense of such a view"
—Tom Peters, author of *In Search of Excellence.*

"A clear and insightful view of the revolution that struck corporate America in the 1980s. The author is an academic with his feet planted firmly in the real world"
—T. Boone Pickens, Jr.

Junk bonds burst into the nation's headlines as the fastest growing and most controversial financial instruments of the 1980s. Branded with an unflattering nickname, these high yield securities were tarnished in the public eye by waves of negative publicity. By the end of the 1980s, the heyday of junk bonds had seemingly come to a close. But the controversy surrounding junk bonds continues.

Now, in *Junk Bonds,* business professor Glenn Yago turns the tables on conventional wisdom about this new financial technology. He offers the first systematic examination of the facts about high yield securities. His analysis provides hard evidence that demystifies junk bonds and explodes many of the popular myths that surround them.

Junk Bonds provides readers with a scholarly analysis that shears away the hype and hysteria that often accompany rapid change. And at a time when Wall Street is under greater scrutiny than at any time since the Depression, this provocative study provides a timely and thoughtful contribution to the junk bond debate.
